

## Harpenden Barbershop Harmony Club (HBHC)

### Newsletter September 2024

#### **-Adopt a music Creator Project update**

Well, we are now back after the summer break and all our energies are going into concentrating on our **November 40<sup>th</sup> Anniversary Charity Concert**. In particular, by learning **Charlotte Botterill's** new song trilogy she has written especially for us via the 'Adopt a Music Maker' scheme, called '**In Retrospect**.' It's something different to our usual repertoire but still encompasses traditional Barbershop themes; namely sentiment, love and of course, a bit of humour!

The 3 parts are called: Kings of Herts, Echoes and The Mind's Eye.

For the latest, check out the blog on the homepage of our website on [www.hbhclub.uk](http://www.hbhclub.uk).

#### What Have We Been Up To?

To help us to hone our performance skills, our old friend **Linda Corcoran** joined us at rehearsals on June 27<sup>th</sup> and July 4<sup>th</sup>. Linda put us through our paces on 'Crazy Little Thing called Love', 'Do you Hear the

People Sing?' and 'Ghost Riders.' They were very enjoyable and informative sessions as always!

-Continuing our 40<sup>th</sup> Anniversary celebrations, all members plus partners were invited to a **murder mystery evening** at **Bennets** in Harpenden on **Friday July 26<sup>th</sup>**. It was great fun and proclaimed “A Triumph” by some. The Fish and chip

supper (plus mushy peas, gravy, curry sauce etc. etc.) provided by Godfreys was excellent and punctual.

The mystery centred around a robot called Sam, a couple of murders, plus some very dodgy characters.

The title of ‘Super Sleuth’ for the evening was presented to Peter Phillips, who can be seen above getting his certificate with members of the cast.

-Yet again we were invited to perform in the annual **Gigs in the Garden Event on Saturday 20<sup>th</sup> July at 5pm**. Somewhat unusually for this summer, the weather held up and after our repertoire songs, Peter Browell led the audience in a some Johnny Lee Hooker and army cadence ‘Call and Response’ chants. This went down very well and was thoroughly enjoyable!

And of course, we held a few of our traditional **pub garden evenings** throughout August (1st & 15<sup>th</sup> at The Oddfellows, 8<sup>th</sup> at The Queen's Head and the 22nd at The Plough & Harrow.) The weather could have been better but there was generally a good turnout. It was also good to see a few friends and some of the Abbey Gateway Orchestra attending.
